

# Billion.Global

Giving people an opportunity to hear, understand, and believe the Gospel

## What?

Billion.Global is a passionate vision to give at least one billion people an opportunity to hear, understand, and believe the Gospel by the year 2026.

## Who?

Any and all believers from around the world—individuals, organizations, small groups, large groups, churches, etc.—can become a part of Billion.Global!

## How?

Alone we cannot. With God's provision and empowerment, we can. We can "do everything through him who gives us strength" (Philippians 4:13). We also need one another—"How good and pleasant it is when brothers live together in unity... for there the Lord bestows his blessing, even life forevermore" (Psalm 133:1, 3). We accomplish this vision with one opportunity, one conversation, one person at a time. We deeply trust a God who can take our contributions and multiply them a billion-fold.
